

The following facilities protocols will be in place at all events held in the 2021 EIVA volleyball season:

- No player, coach, spectator, or employee may enter the facility with any COVID-19 symptoms specified by the CDC.
- Properly worn masks and facial coverings are required for spectators at all times when physical distancing cannot be maintained. For the purposes of this document, physical distancing is 6 feet from non-household members.
- Spectators per participant will be limited:
 - Idaho Rebounds Phase 1: Events will not be held
 - Idaho Rebounds Phase 2: No spectators allowed
 - Idaho Rebounds Phase 3
 - 1 spectator per participant for Power Tournament and Grand Prix events
 - 2 spectators per participant for Saturday League events
 - Idaho Rebounds Phase 4: 2 spectators per participant
- Checked-in spectators are not allowed to release their spot to other individuals, including family members, throughout the day.
- Each team will have an area where their spectators can sit and where gear can be kept. Teams and spectators should stay in this assigned area between games.
- Once an event is over, please exit the facility as quickly as possible to allow staff enough time to disinfect surfaces before the next event.
- Teams and spectators arriving for play may come inside the building once the GREEN poster is displayed. If the poster is RED, please wait to come inside until it is changed to GREEN. This will help facilitate good physical distancing.
- Participants will not be required to wear masks while playing and up official is not required to wear a mask while officiating. Coaches, down official, line judges, and scorekeepers must wear masks.
- Each participant should have their own water bottle. Drinking fountains will not be available.
- Please be aware that some facilities may have stricter protocols and those take precedence over EIVA protocols. All facilities should have their policies listed.
